

VOLUNTEER TODAY! Together We Can Make A Difference

BOARD OF DIRECTORS : Our leadership teams help manage Gg and strategize an ongoing, sustainable future

- The Board of Directors is a team of passionate, generous, and hard working leaders that shape the direction of the organization.

PROGRAM : Engage with, support, and make a direct difference in the lives of Good Grief families.

- Greeters – hospitality for our Nights of Support by welcoming families and assisting them with dinnertime
- Facilitators – participate in our 36-hour Facilitator Training and facilitate one of our support groups for the year. 21 or so nights that you won't soon forget.
- Night of Support set-up – help make our house a home by setting up our program space.
- Bear Makin' Ladies – the BML is a skilled group of ladies who sew teddy bears out of loved one's clothing. This opportunity is currently unavailable.
- House upkeep – our homes are well used and lived in. Help us keep them clean, fresh, and welcoming for our families.
- Project Committees – help with our advocacy and outreach efforts, including the organization of our supplemental programs.
- Supplemental programs – volunteer at a supplemental program, such as a bowling trip or outing.

ADMINISTRATIVE : The business of Gg is important and there is much to do to keep our homes operating well, telling people and organizations about our amazing services, and following up with and tracking our friends in the community. You can help the administrative side of Gg in some of the following ways:

- Mailings – help us with our regular mailings to the community
- Outreach Research - Corporate/business/community research
- Data – help us input and track data
- Phone calls – follow up with our friends, and keep them engaged in our community

EVENTS : Gg is free to families and 100% privately funded, which means we raise every dollar. Our events are critical to our success, providing over 30% of our annual funding. You can join a planning committee and make a huge impact on a specific event, or you can volunteer the day of the event and help make it a meaningful day.

- Event Planning Committees
 - 5K – June 5, 2016

- Golf – August 15, 2016
- Gala – October 21, 2016
- Event Prep
- Day of help
- Community Fundraiser - A community fundraiser is when a company, organization or individual wishes to hold a promotion, event, or sale to benefit Gg.
- Friend Raisers – invite friends, neighbors, colleagues to your home and work with Gg staff to introduce them to this great cause.

EDUCATION : Raise awareness and advocate for grieving kids in communities throughout New Jersey. Learn, educate, and help shape communities into the future.

- Ambassadors – help us tell our story throughout New Jersey by attending fairs and community events on our behalf
- Educators – get trained and work with our education team to go into the community and raise awareness about Gg and childhood bereavement.
- Outreach – help us stay engaged in the many relationships we have throughout New Jersey. Help us share relevant news and updates as needed.

INTERNSHIPS : Make Gg a formative part of your educational experience. Intern in our program, development, or education department. Minimum of one full semester required

- We have partnerships at universities across the state. Our interns play an active role in our organization and learn the many elements of nonprofit management, while learning about programming in childhood bereavement.

COMMITTEES : Committees provide meaningful leadership to the organization and help our nonprofit mission accomplish its goals

- Buildings and Grounds – help us with the management of vendors, beautification of our homes, and ongoing health of our centers.
- Events – see above (under events)
- Development – work with the development team to raise awareness and funds to grow the mission.

MARKETING : Marketing is Gg's voice to our greater community. Help be a part of the voice that is changing the way we support each other.

- Photography
- Videography
- Art - help us create original content to be used on our website and in our social media
- Strategic planning - if you have a background in marketing, you can be a part of our growing marketing strategies
- Outreach - research and connecting us with media to help us spread the word
